Bulletin #7 of 2016. August 1, 2016

Change to Product

O-ring Kits & Overseas Spares Kits Are Now Obsolete

O-rings From O-ring Kits Now In Soft Goods Kits Shipping Immediately

Kits affected / OBSOLETE:

Part #	Description	Part #	Description
525-019	O-ring Kit, SL 27, 37, 57, 17K	525-305	O-ring Kit, SL 17C
525-301	O-ring Kit, SL 17B	525-306	O-ring Kit, KM 47
525-303	O-ring Kit, 18/28	525-307	O-ring Kit, KM 77
525-304	O-ring Kit, KM 97	525-308	O-ring Kit, 37SS

All O-rings from the obsolete O-ring Kits are **NOW in the corresponding model's Soft Goods Kit**. If you are looking for the O-rings for your Band Mask or Helmet, you will need to please purchase the Soft Goods Kit for your model, or O-rings may be purchased separately.

There is no change in price for the modified Soft Goods Kits.

Also OBSOLETE are OVERSEAS SPARES KITS. This is because Kirby Morgan spare parts are readily available from our network of authorized dealerships across the globe. The "Helmet" and "Mask" Spares Kits remain available.

Part #	Description	Part #	Description
525-216	Overseas Kit, KM 57	525-341	Overseas Kit, SL 27
525-323	Overseas Kit, KM 17C	525-349	Overseas Kit, 37/K
525-325	Overseas Kit, SL 17A/B	525-372	Overseas Kit, KM 47
525-327	Overseas Kit, 18/28	525-379	Overseas Kit, KM 77
525-328	Overseas Kit, KM 97	525-382	Overseas Kit, 37SS

Again, if you are looking for a "large" spares kit, our largest kits, with the most spare parts are the "Helmet" and "Mask" Spares Kits.

Please contact your local KMDSI dealer or e-mail sales@kirbymorgan.com for more information.
