New Product Bulletin

Oral Nasal With Lens Retainer Kit, P/N 525-775

Lens Retainer Kit, P/N 525-776

Kirby Morgan is now offering a Lens Retainer Kit (P/N 525-775) for divers who require eyeglasses. This kit contains P/N 520-538 Lens Retainer, P/N 530-923 Mount Wire and P/N 510-747 Oral Nasal Mask (this oral nasal replaces the previous model P/N 510-690 oral nasal). This kit fits all helmets and Band-Masks® equipped with the SuperFlow® 350 and 450 regulators. Take the Lens Retainer to your local optometrist, have them make a set of prescription R/X lenses to fit into the frames, then simply mount them onto your oral nasal P/N 510-747.

2009/2010 US Retail for the 525-775 is \$50.00

2009/2010 US Retail for the 525-776 is \$8.75

Please Note - These kits are not compatible with the following helmets: KM-47, KM-77 and the MK-21.

Please contact the sales department at Kirby Morgan if you have additional questions.

P/N 525-775 (Shown Above) P/N 525-776 (Without Oral Nasal)
