## **New Product Bulletin - #2 of 2005 New Hi Flow Inlet Swivel - Part #305-017 February 1, 2005**

The new Hi Flow Inlet Swivel, Part #305-017, is now available for use with the EXO-26®, EXO-BR®, and the M-48 SuperMask® full-face masks. This redesigned swivel provides a better angle for the diver's low pressure hose connection and improved gas flow.
