Bulletin #3 of 2022. March 3, 2022 **NEW PRODUCT BULLETIN** P/N 525-190 BandMask® 18/28 with 455 Balanced Regulator Water Shroud Kit

Products Affected: Kirby Morgan BandMasks® 18 & 28 with the 455 Balanced Regulator

P/N 525-190 BandMask® 18/28 with 455 Balanced Regulator Water Shroud Kit is available now.

P/N 525-190 BandMask® 18/28 with 455 Balanced Regulator Water Shroud Kit.

This kit is intended to be used on the Kirby Morgan BandMask® 18 and 28 when paired with the 455 Balanced Regulator.

Water Shrouds can be used to circulate constant or hot water around the main breathing components of the helmet diving system. Constant water can act as an additional protective barrier when operating in “dirty water” and hot water can be used to aid in the comfort of the diver.

Please contact your authorized KMDSI dealer or e-mail sales@kirbymorgan.com for more information.
