Bulletin #1 of 2026. January 26, 2026

CHANGE TO PRODUCT BULLETIN

**Kirby Morgan® Now Offers
Colored Cerakote® Stainless Steel Helmets**

Products Affected: All Kirby Morgan® stainless steel helmets.

Available Colors:

Kirby Morgan® now offers stainless steel helmets with colored Cerakote® finishes. The coating will be applied to the outside of the Shell and Pod ONLY, leaving the bottom ring area in its original finish as shown in the above picture.

The Cerakote® coating provides a cosmetic finish without affecting the performance of the stainless steel helmet. Colored Cerakote® stainless steel helmets are available in yellow, black, orange, green, purple, red, smoke, charcoal, blue, burgundy, and white. This is considered a cosmetic finish and is not covered by warranty.

Always purchase your Kirby Morgan® products from an authorized Kirby Morgan® dealer. A list of all authorized Kirby Morgan® dealers is available on our website, www.kirbymorgan.com/dealers.

Please contact your authorized KMDSI dealer or e-mail sales@kirbymorgan.com for more information.
