Bulletin #1 of 2013. January 22, 2013 New Product Bulletin Head Cushion Foam Kit P/N 525-746

Note: The foam supplied in this kit, P/N 525-746, has been designed specifically to fit the new head cushions (P/N 510-754). The 525-746 head cushion foam kit includes the chin cushion foam as well.

See bulletin #4 of 2012 for further details pertaining to the new head cushion P/N 510-754 (replaces P/N 510-682, head cushion).
