**Bulletin No. 2 of 1999: Change to Product.  
16 July, 1999**

**Subject: Product material change to EXO Hard Shell**

The EXO Hard Shell, DSI Part # 300-010, is now made of a vacuum formed high impact ABS plastic. This new hard shell is more economical than the older fiberglass version that it replaces. There is also a special price available when purchased with an EXO Full Face Mask.

**These new Hard Shells are available NOW!**
