## Product Bulletin - #13 of 2005 Large Bore Regulator Now Standard on SuperLite®-17C Regulator Part Number 505-069 October 14, 2005

KMDSI's large bore regulator, Part #505-069 is now shipping standard on the SuperLite®-17C. This regulator offers higher performance than the smaller bore "B" regulator. This makes this helmet ideal for deeper diving. This regulator replaces the 505-027 which was standard on this helmet previously.

KMDSI Part #500-599 SuperLite®-17C with binding posts

KMDSI Part #500-600 SuperLite®-17C with male waterproof connector.
