

**KIRBY MORGAN AIR CONTROL SYSTEM-5
(KMACS-5)
MONTHLY MAINTENANCE, AND INSPECTION CHECKLIST**

APPENDIX A2.2

01-31-17

This inspection is the minimum recommended maintenance and **should be** performed at least **ONCE A MONTH** KMAC(s) in continuous use (used for more than 20 diving days in a month) or at least every **TWO (2) MONTHS**, with KMAC(s) used less than 10 diving days a month.

NOTE: KMAC(s) being used around polluted waters, or extreme environments, will require more frequent inspection.

NOTE: During removal of components for inspection, O-rings and other consumable items may be reused, providing they are clean and a visual inspection does not reveal any damage or deterioration.

NOTE: Check the Kirby Morgan web site for the latest product improvement bulletins concerning the KMACS-5

NOTE: This checklist should be used in conjunction with the KMDSI Modular Operations and Maintenance Manual.

MONTHLY MAINTENANCE, AND INSPECTION CHECKLIST**

APPENDIX A2.2

01-31-17

Recorded service in maintenance log book YES _____ NO _____

NOTE: KMDSI strongly recommends that only trained certified KMDSI technicians perform overhauls. The below statement is intended to discourage non trained and non certified persons from posing as certified KMDSI technicians.

I _____ hereby certify that I have performed the work required in the A2.2 and that I am a certified KMDSI / Dive Lab technician.

Print name _____ Signature _____

Date _____ ID# _____ Date of Certification _____

I _____ hereby certify that I have performed the work required in the A2.2 and I am not a certified KMDSI / Dive Lab technician

Technician / Owner: Print name _____

Technician Signature: _____ Date: _____

Comments: _____

KMDSI **highly** recommends that a certified KMDSI Repair Technician make all repairs and that only genuine KMDSI repair and replacement parts be used. Owners of KMDSI products that elect to do their own repairs and inspections should only do so if they possess the knowledge and experience. All inspections, maintenance, and repairs should be completed using the KMDSI Modular Operations and Maintenance Manual(s). Persons performing repairs should retain all replacement component receipts for additional proof of maintenance history. Should any questions on procedures, components, or repairs arise, please contact Kirby Morgan Dive Systems, Inc., by telephone at (805) 928-7772 or via e-mail at kmdsi@kirbymorgan.com, or contact Dive Lab, Inc., by telephone at (850) 235-2715 or via e-mail at divelab@divelab.com.
